

# OLD REPUBLIC SPECIALTY INSURANCE UNDERWRITERS

## About Old Republic

*A HISTORY OF GROWTH AND STABILITY*

Old Republic traces its beginnings to 1923, although several acquired subsidiaries began operations much earlier. The company is one of America's 50 largest shareholder-owned insurance businesses.

Its subsidiaries market, underwrite, and provide risk management services for a wide variety of coverages, predominantly in the general (property and liability), mortgage, guaranty, and title insurance fields. The company is primarily a commercial lines underwriter servicing the insurance needs of a large number of organizations, including many of America's leading industrial and financial services institutions.

For employees, the Company offers an environment of success in which they can pursue personal goals of professional and economic achievement in the context of Old Republic's business objectives.
